

On behalf of the Gateway Community College Foundation, we would like to recognize you for your contributions in 2016 and take this opportunity to celebrate some of our most notable achievements this year:

- Our Annual Hall of Fame event this year was supported by our full Board, led by Mimi Lines, and raised the most money ever in its nineteen-year history.
- Our Donor/Scholar Luncheon in June continues to draw over 200 students and donors and was sponsored by First NiagaraKey Bank. We launched our first High School Donor/Scholar Luncheon in 2016 for incoming high school scholarship recipients and celebrated with donors including New Haven Rotary Charitable Trust, Liberty Bank Foundation and Andrew Sorbo. These incoming students were lead in a "Pledge to Complete" by Dr. Dorsey Kendrick and Dr. Wilson Luna.

It is always exciting to bring the donors and recipients together for the Annual Donor/Scholar Luncheon. There is nothing quite as touching as seeing them together. The donors get to meet the beneficiaries of their generosity and see for themselves the impact they make on another's well-being, and students are able to say "Thank you" and express their appreciation.

Your contributions make the difference in helping Gateway Community College students reach their academic goals of earning an Associate Degree and/or Certificate. We thank you again for your continued support of the Gateway Community College Foundation by giving of your time, expertise, and monetary donations.

Sincerely,

Thomas Griggs, Jr.

## About the Foundation

The Gateway Community College Foundation, Inc., incorporated in 1993, a 501(c)(3) organization whose sole purpose is to support Gateway Community College and its mission. Its Board of Directors is comprised of volunteers from Greater New Haven's business, education, government and health care sectors who generously donate their time and expertise to support Gateway Community College through fundraising, scholarship selection and other volunteer activities. Money raised by the Foundation funds student scholarships, helps purchase state-of-the-art classroom equipment and materials and provides professional development opportunities for college educators and personnel.
