- Gateway Community College Foundation oversees fulfillment of benefits

"I am beyond excited about receiving this scholarship for me to further my education. I am a single mother trying to go to college and make a difference for my child, so this money is an amazing help in pushing me towards my goal of an associate degree. Every little bit of help is amazing and supportive, and I am so thankful."

Student Success Profile

"My major is Public Utility Management. I selected this major due to my interest in utility industry including water, wastewater, and natural gas. Upon graduating from Gateway, I would like to obtain employment in the utilities field and then continue my higher education to obtain a bachelor's degree."
